

# FINE STONEWARE PLANTERS

Vongole and Pineapple planters 30 x 18" in white

Casa Alfarera is a fine stoneware workshop founded in 2013 in the Colonial City of Santo Domingo, Dominican Republic.

We craft fine artisanal stoneware planters for interior and exterior use. Our pieces are characterized by luxury glazes and highly textural surface patterns.

These surface patterns are the result of hours of detailed manual work, done by expert artisans who hand form and adhere every single component of the pattern to the body of the planter.

By creating fine stoneware gardenware we cater to the makers of exceptional gardens and plant connoisseurs with an appreciation for unique and exquisite plant vessels.
